

SHARED FACILITIES

Revised: 7/12/2021

Pursuant to FERC's Standards of Conduct issued on October 16, 2008 in Docket No. RM07-01 (Order No. 717) and §358.7(e)(2) of the Commission's Regulations, BHE GT&S, LLC¹ hereby posts a complete list of the employee-staffed facilities (excluding facilities where individuals do not typically transact business) shared by any of the Transmission Providers' Transmission Function Employees and Marketing Function Employees.

BHE GT&S, LLC Transmission Function Employees do not share any primary work locations with Marketing Function Employees.

¹ On November 1, 2020, Berkshire Hathaway Energy Corporation (BHE) acquired an ownership interest in three gas transmission providers formerly owned by Dominion Energy, Inc.: Eastern Gas Transmission and Storage, Inc. (formerly Dominion Energy Transmission, Inc.); Cove Point LNG, LP (formerly Dominion Energy Cove Point LNG, LP); and Carolina Gas Transmission, LLC (formerly Dominion Energy Carolina Gas Transmission, LLC). BHE's other gas transmission providers are Northern Natural Gas and Kern River Gas Transmission Company.
